Education

Computer Science and Systems B.S. — Aug 2019 - Jun 2023
UNIVERSITY OF WASHINGTON-TACOMA

GPA: 3.66

Experience

GirlsWhoCode - Adobe Emeryville — Jun 2017 - Aug 2017
EMERYVILLE, CALIFORNIA

The summer of 2017, I interned at Adobe-Emeryville through GirlsWhoCode. I gained skills like leadership, collaboration, and various technical areas. In the program, I spent time attending lectures and finishing daily assigned tasks. Towards the end, I spent time co-leading a group to present a final project. Through this internship, it exposed me to tech and created an interest in it.

Californians For Justice — Jul 2017 - Aug 2017
OAKLAND, CALIFORNIA

The second internship during the summer of 2017, was more service oriented. I interned for educational justice non-profit. Californians for Justice focused on ensuring that education was inclusive to all kinds of students. Whether it was students with disabilities.These, students in foster care, and many other types of students. I practiced different ways for advocating for these students. Specifically, I practiced This internship taught me a lot about how important it is to help others. Being able to offer support for someone else can mean a world of difference. It has expanded my learning and given me a foundation in service oriented thinking.

Projects

Py Projs — 2019-2020
VARYING PROJECTS I HAVE DONE TO PRACTICE PYTHON SKILLS

I have done projects with math, created games, and made tools. These projects gave me a love for back-end development. It also showed me the importance of a continuous work process. Meaning, I learned that projects are sometimes an on-going process. I would finish up some portions and then come back later to finalize the program. From time to time, I still go back and improve things.

Wonder Women — Aug 2017
ENGAGING WEB TOOL FOR WOMXN

During my time with GirlsWhoCode, I completed this final project. This final project was facilitated, planned, project managed by me. Along with the group leader role, I was tasked with building the overall website. The final project turned out to be an engaging website for women to play games and read about role models.

Experience

Black Student Union — Aug 2019 - Mar 2020
STUDENT MEMBER/VOLUNTEER

Black Student Union has allowed me to learn more culturally while pursuing my studies. It gave me the opportunity to volunteer and engage with my Black peers.

International Friends Club — Jan 2020 - Mar 2020
STUDENT MEMBER

International Friends Club gave me the opportunity to meet new friends and learn about their culutres. It has expanded my worldview and perspectives. Our group would engage in outings and club meetings.

Honors

Quarterly Dean's List — Aug 2019 - Mar 2020
Principal's Honor Roll — Spring 2014
